Variations occur throughout the handmade process; final products may vary slightly from images or listed dimensions. The tension between uniformity and character is inherent to our fabrication process. All products can be made to order in any color from our glaze palette. Please reference our full glaze palette for minor exceptions, finish qualities, and variation levels. Contact the studio to request glaze samples. Glazes are indoor/outdoor safe. Note for outdoor use: in colder climates, we advise bringing products indoors in sub-freezing temperatures.
